

Dear Parents/Guardians:

The Sag Harbor School District has established Winter Weather Bus Stops for times when our area experience icy road conditions and inclement weather. Please familiarize yourself with the alternate bus stops below. If road conditions warrant a change to your child's regular bus stop, you will receive an email and a text message from the school district that will read, "Winter Weather Bus Stops Are in Effect Today". The list of alternate bus stops can also be found on the school website under the Transportation link.

IF YOUR STOP IS NOT LISTED BELOW, THEN YOUR REGULAR STOP REMAINS IN EFFECT DURING WINTER BUS STOP DAYS.

Sincerely,

Ms. Maude Stevens, Transportation Director 725-5300, Ext. 414
